*Living life  
through the  
guidance of the  
sacred feminine*

## TEOTIHUACAN SEPTEMBER 3-8, 2015

All of life is informed by the feminine aspect of creation. It contributes form, brings creativity and offers wisdom to every moment we past through. It contains the answers to the questions we are asking. We do not need to look for it, we need to recognize it. Join us in Teotihuacan, Mexico, on a five day mystical adventure into the heart of the deep feminine. At Teo everything is pure magic. Through guided reflection, tales of power and great love we unravel the secrets of life and dream beyond our knowing. We abandon our inertia and reclaim our true self. We return to our lives with a fierce belief in the truth of who we really are. We'd be delighted to have you join us.
