Included

Total costs for section one are _____ for Teotihuacan, which includes: accommodations at The Dreaming House, all lectures and teachings, entrance fees to the pyramids, all transfers and luggage handling, most gratuities. Also included are two meals per day (breakfast and supper) and drinking water and beverages. The supplement for a single room when available is \$250.00 for this section. This may not be available less than 45 days before the departure. While we cannot guarantee that we can find you a roommate, we make every effort to do so. In the event we are unable to find a roommate for you, you will be required to pay the single supplement cost.

Not Included

We are not responsible for your round trip flight from your home to Mexico City. Also not included are your meals unless specified, items of a personal nature such as laundry, gifts, shopping, beverages, toll calls, excess baggage, medical costs, and the costs of hospitalization and evacuation from remote areas, insurance and additional expenses arising from the delay or extension of a trip due to weather, political disputes, sickness, failure of transportation, or other causes beyond our control.

Payment

A \$250.00 dollar deposit, which is non-refundable secures your place on the journey due by (date). The remaining payment in full is due (date). All payments are by Visa or MasterCard credit card, money order or cashier's check only, made out to Second Wind Foundation. Unfortunately, no personal checks can be accepted. All payments must be received in the office a minimum of one week before the date of trip departure. We cannot make exceptions to this policy.

Cancellation and Refunds

If cancellation occurs 60 or more days before departure, there will be a loss of \$250.00 dollars which is the total deposit amount. This deposit may be used toward another Spirit Recovery, Inc. and/or Second Wind Foundation Event only. For cancellation 0-60 days prior to departure, no refund will be given – as is the case with a cancellation at the time of departure or after the trip departs. All cancellations must be made to Spirit Recovery, Inc. and/or Spirit Recovery, Inc. and/or Second Wind Foundation in writing. Any refund requests must be made in writing to Spirit Recovery, Inc. and/or Second Wind Foundation within 30 days of the return date. We strongly recommend Travel Cancellation Insurance if there is a chance you may have to cancel for any reason.

Spirit Recovery, Inc. and/or Second Wind Foundation reserves the right to cancel any trip prior to departure for any reason whatsoever, including an insufficient number of participants or logistical problems (e.g. acts of God, war, strikes, etc.), which may impede trip operations. The refund of all payments as described in the paragraph below shall release Spirit Recovery, Inc. and/or Second Wind Foundation from any further liability. A trip cancellation due to insufficient numbers would normally occur at least a month prior to departure, unless acts of God, war, strikes or other events impede our departure causing large numbers of participants opt to cancel participation on the journey in the last days before departure.

Spirit Recovery, Inc. and/or Second Wind Foundation must make substantial payments to suppliers (including providers of land travel) far in advance of the scheduled date on which we embark. If a trip is cancelled due to forces beyond our control (acts of God, war, labor strikes, earthquake, flooding, etc.), Spirit Recovery, Inc. and/or Second Wind Foundation will promptly refund the portion of the trip cost not advanced to suppliers (including any moneys set aside for airfare). Second Wind will use our best efforts to recover advance payments as promptly as possible, and we will refund to you the amount recovered, if any. However, Second Wind does not guarantee recovery of any or all of the advance payments made, and our use of best efforts to recover these payments will not include the institution of any legal proceeding

in foreign lands. This policy applies to a trip cancellation by client choice following any necessary increase in trip costs.

Thank you for joining us on this journey and for your cooperation!

Day 1

Arrive in Mexico city late afternoon.

Day 2-5 We spend the next four days exploring and moving through the site. We spend time working in a group and individually. We will work through the energetic body of Teo which follows the original design as the body of a two-headed serpent, the body of the avatar Quetzalcoatl, from the temple of Quetzalcoatl we move onto the Avenue of the dead traveling toward the Pyramid of the Moon. As we ascend over the 4 days of our journey you will address the energetic aspects of being human. From the physical body to the emotions, the mind and the spirit we address each as they are portrayed through the elements of earth, air, fire and water. The journey through the body of Teo leads to a reemergence from the deep introspection of the Avenue through the other mouth of the snake on the altar in front of the pyramid of the moon. The next step is to join the presence and timeless power of the ancient masters in the temple of the Jaguars and the Palace of the Butterflies preparing us for our reconnection with source atop the pyramid of the sun. A journey to Teotihuacan is an opening to worlds that for most of us have been shrouded by our investment in what we have come to believe of this world and ourselves.

Day 6 Those of you who are leaving for home will be leaving this morning. We arrive at the Airport at 11-11:30 AM.

PACKING LIST AND OTHER IMPORTANT INFORMATION

Dreamers,

We are delighted you are joining us for the upcoming journey to Teotihuacan. We ask you to carefully read the following information to ensure that your experience is as physically comfortable and spiritually rewarding as possible.

Each sacred journey invariably includes two itineraries. On the physical part of the journey, we each travel as a member of a group to places of extraordinary beauty, power and enchantment. On the inner journey, we travel solo down a long, winding road that is often rife with potholes, detours and rivers to cross with no bridge in sight. The outer journey requires that we pack good shoes, suntan lotion and bug repellent.

The inner journey requires that we bring along all of our love and courage to honestly deal with ourselves and see what is truth and what is illusion.

The physical journey invites only our sense of humor and flexibility. But, our inner journey asks that we identify and begin dismantling the false assumptions upon which we have built our lives.

The inner journey is the hardest one we ever make. But, the Toltec have traveled before us and mapped a road we can follow to transcend fear and reclaim our divine birthright of unconditional happiness. With the wisdom of our guides available to support and advise us, we can change our perception. The resulting death of ignorance and resurrection of awareness will speed our journey into the freedom beyond.

Our outer journey is intended to follow this map to freedom. To aid in your physical comfort, we strongly recommend that you pack the following:

Mandatory Items:

- You must have a valid Passport
- Money for extra food and personal expenses.
- Daily meals and water are provided.
- Water bottle suitable for carrying during the day. Bottled water will be provided. We strongly recommend brushing your teeth with purified water during your stay.
- Sturdy walking shoes suitable for climbing pyramids and daily treks.

- Any prescription medication.

Suggested Items:

- Personal items and toiletries
- Journal and pen/pencil
- Rain poncho
- Backpack or fanny pack for transporting items/water on the daily outings. The size of this device is dependent on the amount of belongings you prefer to carry with you
- Snacks that are portable
- Band-aids, travelers remedies
- Sunscreen (the altitude is high and the sun is strong during the day)
- Hat/Visor
- Alarm Clock
- Personal Pillow (if desired)
- Sunglasses
- Casual, comfortable clothes that you can layer and that are suitable for walking, and sitting while in the pyramid grounds
- Warmer clothes for the evening and early morning

On your arrival in Mexico City proceed through customs. There are two separate customs areas.

Someone will be holding a sign that says, “The Dreaming House”.

Once everyone is accounted for you will have the opportunity to exchange your currency for pesos there at the airport. When you change your money -- cash or traveler's checks -- it is best to ask for some small denominations if possible (20, 50 peso notes). The shop/restaurant owners in Teotihuacan often cannot change large bills. Sometimes the moneychangers at the airport are willing to give you small bills and sometimes you have to accept what they have available. There are no local banks at Teotihuacan.

You will depart the airport in a group and travel by private transportation to the Dreaming House. Once you arrive at Lee's lovely home, you will be given a room assignment. After you have settled into your room we will meet for dinner followed by an early evening meeting.

Once again please remember that it is not wise to drink the tap water anywhere in Mexico or to brush your teeth with that water. Additionally, when you shower, do not let water get into your mouth. You can purchase water locally.

The food is good, flavorful and varied but not geared toward "special diets". If you have particular dietary requirements it is wise to bring items from home to supplement what is available. It is the custom to leave a gratuity at the end of your stay.

We will provide you with the itinerary for the trip as necessary. It is helpful to remember life is in constant motion so things change, miracles appear and plans do shift. Please help everyone by listening to information provided and joining with us at the agreed upon times.

If something happens that prevents your meeting the group, you may take a cab, at your own expense, to the Villas Arqueologicas Teotihuacan a hotel which is close to where we will be staying. If we know you have travel plans different from the group, if you give us advance notice, we can also send a taxi to the airport for you-it is safest this way-and the rate you will pay of approximately \$65 is less than the normal cost of transportation from Mexico City. Lee's phone number at the Dreaming House is 011525949563969 and is for emergencies only. There are pay phones available in the village-you can also contact your cell phone company to set up international service for your stay. If you miss a flight or your plane is delayed due to weather or other conditions, please contact Lee McCormick on his cell phone at 615-330-0309 with your new plans.

Please send your final payment AS SOON AS POSSIBLE and ALSO let us know your flight arrangements so we have a way of keeping track of you.

The journey you are about to take has the potential to transform your life. Please join us with all your enthusiasm and love as we travel together to this magical place of power and freedom!

Blessings to you!

Lee McCormick
